

30th Annual Fall Harvest Craft Show
September 26th & 27th from 10am-5pm
Griffith Central Park

*Come join us for our 30th Annual Fall Harvest Craft Show.
We have only handcrafted items being sold at our show.*

No flea market or junk is allowed. Booths spaces are available.
They are 12x12 in size at a cost of \$75.00 per booth.

Besides the crafts we also have a concession area that includes steamed corn on the cob, stuffed potatoes, pulled pork sandwiches, hamburgers, hotdogs & drinks. The Cub Scouts & Girl Scouts have a bake sale going on during the show.

We have several other Scout troops that sell different kinds of desserts, popcorn or candy.

It's a good place to get your Christmas shopping done early!

See you in September.
